The SUV that thinks it's a saloon

The CR-V has always offered drivers the handling and refinement of a saloon, with the practicality and flexibility of a capable SUV. Now, our sector leading SUV has been updated; offering drivers even more.

It features all the creature comforts you'd expect from an executive saloon but as standard. Improved sound insulation means you can enjoy a quieter drive. The fresh new look with distinctive front bumper and grille and alloy wheels ensures a stylish one.

The 2010 CR-V is available with a smooth and refined i-DTEC diesel engine, which is now available with a 5 speed automatic gearbox. Combined with impressively low whole life costs, the CR-V is the genuine alternative to an estate car.
